2005/2006 – PRESIDENTS REPORT

Dear Members,

I write to thank all of those who have been actively involved in the Keon Park Cricket Club (K.P.C.C.) over the past two years, in all areas and capacities.

Over this time, I have witnessed the complex diversity of such a large working club and have seen its successful functioning, both on and off the field. From this experience the strength that echoes again and again is the character of the people that call K.P.C.C. their club.

It is the passion of the members that keep us moving forward for the greater good of the club, not just the individual, and that is what gives us the drive to succeed not merely from week to week, but from season to season.

When I stood for president of K.P.C.C. in 2004/2005 there was one thing above all else that I tried to achieve; a full and competent committee. I believe I was successful in this area and that this success has not only benefited the club in my term but will also benefit future presidents as well.

Some may say I have been too committee orientated in my presidency, yet when you rely on one person for over fifty percent of the clubs running for a ten year period or more, you know that there must be a better way. I have no doubt that we are heading in that direction now, with the increasing longevity and health of the club and the growing number of people who are prepared to give their all.

In light of this and the many new and ongoing challenges that the K.P.C.C. will face in the next few years, I have included several points that I believe the club and committee will have to pay close attention to.

These are:

- The recruitment of new junior members and the ever lowering age of new group levels;
- The recruitment of quality payed players and senior coaching personnel due to the rapid changes to the structure of cricket over the past five years;
- And finally, the work load and the running of the club, inclusive of all its commitments through a season; from the eight current sides, training, finals, Jaka games, rep carnivals, and social functions. This above all else is the beast that must be intelligently and carefully maintained so that the club members and players remain first on the agenda, above the almighty dollar on which the club relies for its sustainability.

If we are to maintain our current standard of achievement and much more, then these areas will need to be focused on and attended to. I believe that we have a lot to look forward to in the 2006/2007 season and once again, I would like to thank all our members who have given me the opportunity to preside over such a promising club for the past two years.

I look forward to seeing you all very soon for another prosperous year.

Yours faithfully,

Christopher Short.

KEON PARK CRICKET CLUB TREASURER'S REPORT 2005 – 2006

Again, I would like to say thank you to the club and its members in trusting me to fulfil the Treasurer's roll for a third term. I found this year easier again, than the previous two years, that I filled this roll. At this stage the books are balanced, but will need to be audited. The auditing process is currently taking place.

I would like to thank Narina Smith, who for a second year supported me with the Umpires Portfolio which this year consisted off a new payment system. All money paid on a Saturday was broken up into 3 categories, Umpires / Membership & Presentation. Narina was responsible to divide the money collected and present it at the end of the year. A fantastic job was completed.

Also thanks to Chris Short, Shane Baker and Mark Bolt in assisting with running their own floats and locking up off the rooms. It allowed for the club to operate at all times without the same person requiring to be available.

Thanks to Natasha Johnston, our Canteen Employee this year, who did a great job, and was well worth the money that was paid. A fantastic profit was made in the canteen this year. This may have been attributed to the same person being responsible in the running of the canteen.

I will also thank Ian Giddons who will be auditing the books this year and I am sure we will be discussing some issues in the near future.

A special thank you to our Sponsors, Mr & Mrs Allain and Autoclinic for their support this season. Their financial help goes a long way in making the club a better place for all off its members.

My second last thanks goes to a person that took last years profit/loss report as a personal insult and almost single handed reversed that status, to what the club achieved this year. Mark 'Bluey' Smith simply optimises what a clubman is.

Following are the Positives and Negatives for the season,

POSITIVE –

- \$2000 Draw / Family Day cleared \$ 4001.21
- Mini Lotto / Joker / Raffles up \$ 1400.00
- Player Auction up \$ 230.00
- Presentation cleared \$ 700.00 on the door as opposed to last year lost \$ 800.00 on the door
- Sponsorship up \$ 2,500.00
- Membership up \$ 400.00
- Administration Cost down \$ 1500.00
- Hire Of Grounds down \$ 700.00
- Incentives down \$ 250.00

NEGATIVE –

- Utilities up \$ 400.00
- Clubrooms Maintenance and Memrobillia up \$ 500.00
- Sundry Expenses up \$ 1300.00 (Payment to I Giddons for Jika)
- Canteen Employee cost \$ 1200.00
- Bingo Proceeds down \$ 2,500.00.

The club this year enjoyed a successful season of the field, completely reversing the result that was achieved last season. A great effort by all that took the responsibility in helping this happen. We are looking this coming season to having our new pitches laid and that will cost us. Another consorted effort will be required this coming season to help achieve positive results.

I will seek re-election at the AGM and will hope to continue to develop a better understanding of this role, with the option of continuing the following season, depending on availability. If I fill this roll for the next two seasons, my term as Treasurer will be terminated at the completion of the 2007/2008 Cricket Season.

My Last thanks goes to my family, a family that is rapidly growing, and requiring a lot more time now than ever before. Their support and patience allows me to support the club in this role.

Regards,

Greg Scarpa.

KEON PARK CRICKET CLUB COACHES REPORT 2005 -2006

First of all I would like to again personally thank the Committee, Members, Players and Supporters for the opportunity to again be Captain/Coach of the Keon Park Cricket Club in season 2005/2006.

It was an excellent year for the club with the committee who made significant progress off the field with their committed , focussed efforts in running the club and progress was also made on the field with several new players and some exceptional performances by some of the younger players at the club.

I would also like to thank all the players in particular for their presence and efforts each week in ensuring KPCC remains one of the largest and strongest clubs in the Joka Cricket Association. Special mention to my assistants Shane Baker and Florijan Tabain and Vice Captain Adam Reimers for their fantastic support and their significant contributions to the Keon Park Cricket Club. I would also like to acknowledge the other captains in Mark Smith, Andy Johnson and Ian Gass for their guidance and leadership for their respective teams.

It was a disappointing year with no Premierships won , however the performances on the first and second eleven sides during the home and away season again showed the strength and depth we have to work with for season 2006/2007.

The most pleasing aspect of the 2005/2006 season was the considerable development and quality of our junior teams and the progress made by several young cricketers at the club who when given opportunities exceeded expectations in most cases. All members of the club must take responsibility of our young players and assist in their development as people and cricketers to ensure KPCC remains the great club that we are.

I hope every member of the club enjoyed the 2005/2006 cricket season and we all look forward to the exciting challenges that the 2006/2007 season offers the Keon Park Cricket Club.

WARREN STEWART.
